**OFA Fiscal Note**

**State Impact:**

Agency Affected	Fund-Effect	FY 11 \$	FY 12 \$
Department of Social Services	GF - Cost	Minimal	Minimal

Note: GF=General Fund

**Municipal Impact:** None

**Explanation**

The bill requires the Department of Social Services to notify any access agency or area agency on aging when the department sends a redetermination form to a client of the agency. The department will incur additional administrative costs to meet the bill's notification requirements. Any such costs are expected to be minimal as the department already has contractual relations with these agencies.

House "A" clarified the means of communication that the department may use. It did not alter the fiscal impact of the underlying bill.

**The Out Years**

The annualized ongoing fiscal impact identified above would continue into the future subject to inflation.

**OLR Bill Analysis****sHB 5109 (as amended by House "A")\******AN ACT CONCERNING NOTICE OF REDETERMINATION FROM  
THE DEPARTMENT OF SOCIAL SERVICES.*****SUMMARY:**

This bill requires the Department of Social Services (DSS), whenever it sends its annual eligibility redetermination form to a person participating in the Connecticut Home Care Program for Elders (CHCPE), to notify the access agency or area agency on aging (AAA) administering the program for that person.

DSS contracts with three agencies in different areas of the state to provide coordination, assessment, and monitoring services for CHCPE: Connecticut Community Care, Inc., (the access agency), South Central AAA, and Southwestern AAA. Among other functions, they help people fill out the forms required for program participation.

\*House Amendment "A" specifies that DSS must notify the agency that administers the program for that person and eliminates the requirement that the notice be sent electronically or by fax.
