Testimony Regarding

**SB 393 AN ACT CONCERNING STANDARDS IN HEALTH CARE PROVIDER
CONTRACTS**

As members are aware, the current draft of SB 393 is a placeholder, providing the framework for an ongoing series of meetings and discussions among providers and payers, overseen by the co-chairs of this committee. It is our hope that these conversations will lead to a sane and rational bill which reduces costs by streamlining certain processes. We appreciate the interest of the Committee's leaders and look forward to continuing our work.
