TO Whom it may Concern,

my name is Carmen L Rivera, daughter of Carmen E Rivera. I would like to address, that Connecticut legal aide has help me and my mother from being evicted from our apartment, especially my mother's apartment at Windham Heights Complex, CT Legal Services has fought for my mother in many ways.

one way was, they made sure that my mother's landlord respect and obey the rules toward tenants and Senior Rights, my mother's landlord was harassing and violating my mother's Right, legal services stop all of those things.

We need to have these services in willimantic, I feel CT legal services has help so many people especially low income people, that doesn't have the money to pay for an attorney.

Without CT legal services, I feel that so many low income people will be evicted without good reason, people will not be getting help they really need.

this is one big program, that we really need in willimantic and everywhere else. please donot take of legal services away from us. we are in urgent need of this program.

Thank you very much for taking the time to hear my voice

Sincerely
