To: Members of the Labor Committee:

My name is Mike Carbray, General Manager of Amphenol Spectra-Strip located at 720 Sherman Ave., Hamden, Ct.

I am writing to voice my opposition to SB-63, which would require Connecticut employers to provide paid sick leave. This proposal will substantially increase our business costs and could force us to reevaluate the other benefits we provide our employees.

Currently we provide a very expensive benefit package to our employees.

Passage of this bill will add to our costs when we can least afford it.

We urge you to reject this proposal and work with the business community to control labor and workplace costs in Connecticut.

Thank you.

Mike Carbray
