Sec. 2. Subdivision (1) of section 38a-567 of the general statutes is repealed and the following is substituted in lieu thereof (Effective January 1, 2011):

(1) (A) (i) Any such insurer or producer marketing such plans or arrangements shall offer premium quotes to small employers upon request for coverage for employees who work a normal work week of thirty or more hours. Upon request by a small employer, such insurer or producer shall offer premium quotes for coverage for employees that include those who work a normal work week of at least twenty hours.

(ii) No small employer that has requested premium quotes for coverage for employees that include those who work a normal work week of less than thirty hours shall be required to accept such quotes or coverage in lieu of premium quotes or coverage for only those employees who work a normal work week of thirty or more hours.

(iii) Nothing in this subparagraph shall require a small employer that offers coverage to its employees who work a normal work week of thirty hours or more to offer coverage to its employees who work a normal work week of less than thirty hours.

(B) Any such plan or arrangement shall be renewable with respect to all eligible employees or dependents at the option of the small employer, policyholder or contractholder, as the case may be, except:
(i) For nonpayment of the required premiums by the small employer, policyholder or contractholder; (ii) for fraud or misrepresentation of the small employer, policyholder or contractholder or, with respect to coverage of individual insured, the insureds or their representatives; (iii) for noncompliance with plan or arrangement provisions; (iv) when the number of insureds covered under the plan or arrangement is less than the number of insureds or percentage of insureds required by participation requirements under the plan or arrangement; or (v) when the small employer, policyholder or contractholder is no longer actively engaged in the business in which it was engaged on the effective date of the plan or arrangement.

[(B)] (C) Renewability of coverage may be effected by either continuing in effect a plan or arrangement covering a small employer or by substituting upon renewal for the prior plan or arrangement the plan or arrangement then offered by the carrier that most closely corresponds to the prior plan or arrangement and is available to other small employers. Such substitution shall only be made under conditions approved by the commissioner. A carrier may substitute a plan or arrangement as stated above only if the carrier effects the same substitution upon renewal for all small employers previously covered under the particular plan or arrangement, unless otherwise approved by the commissioner. The substitute plan or arrangement shall be subject to the rating restrictions specified in this section on the same basis as if no substitution had occurred, except for an adjustment based on coverage differences.

[(C)] (D) Notwithstanding the provisions of this subdivision, any such plan or arrangement, or any coverage provided under such plan or arrangement may be rescinded for fraud, material misrepresentation or concealment by an applicant, employee, dependent or small employer.

[(D)] (E) Any individual who was not a late enrollee at the time of his or her enrollment and whose coverage is subsequently rescinded
shall be allowed to reenroll as of a current date in such plan or
arrangement subject to any preexisting condition or other provisions
applicable to new enrollees without previous coverage. On and after
the effective date of such individual's reenrollment, the small employer
carrier may modify the premium rates charged to the small employer
for the balance of the current rating period and for future rating
periods, to the level determined by the carrier as applicable under the
carrier's established rating practices had full, accurate and timely
underwriting information been supplied when such individual
initially enrolled in the plan. The increase in premium rates allowed by
this provision for the balance of the current rating period shall not
exceed twenty-five per cent of the small employer's current premium
rates. Any such increase for the balance of said current rating period
shall not be subject to the rate limitation specified in subdivision (6) of
this section. The rate limitation specified in this section shall otherwise
be fully applicable for the current and future rating periods. The
modification of premium rates allowed by this subdivision shall cease
to be permitted for all plans and arrangements on the first rating
period commencing on or after July 1, 1995.

Sec. 3. (NEW) (Effective July 1, 2010) (a) There is established a
program which shall be known as the "Connecticut Clearinghouse", to
be administered by the Health Reinsurance Association established in
section 38a-556 of the general statutes, through which individuals and
small employers may obtain information about available health
insurance policies and health care plans.

(b) Said association shall, in consultation with the Insurance
Commissioner and the Healthcare Advocate, develop, within available
appropriations, a web site, telephone number or other method to serve
as a clearinghouse for information about individual and small
employer health insurance policies and health care plans that are
available to consumers in this state, including, but not limited to, the
Medicaid program, the HUSKY Plan, state-administered general
assistance, the Charter Oak Health Plan set forth in section 17b-311 of
the general statutes, the Municipal Employee Health Insurance Plan
set forth in subsection (i) of section 5-259 of the general statutes, and
any individual or small employer health insurance policies or health
care plans an insurer, health care center or other entity chooses to list
with the Connecticut Clearinghouse.

(c) Such method developed pursuant to subsection (b) of this section
shall use interactive tools or technology to provide a consumer with a
list of health insurance policies or health care plans that, based on the
responses provided by such consumer, may be appropriate for such
consumer's circumstances.

(d) The Insurance Commissioner shall establish procedures for the
Health Reinsurance Association to confirm with the Insurance
Department that a policy or plan listed with the Connecticut
Clearinghouse is approved to be sold in this state and that the insurer,
health care center or other entity that offers such policy or plan is
authorized to do business in this state. Such procedures shall include,
but not be limited to, a timetable for such list to be updated on a
regular basis, but not less than every ninety days.
