341 Sec. 18. Subsections (f) to (i), inclusive, of section 8-30g of the
342 general statutes are repealed and the following is substituted in lieu
343 thereof (*Effective from passage*):

344 (f) Any person whose affordable housing application is denied or is

345 approved with restrictions which have a substantial adverse impact on
346 the viability of the affordable housing development or the degree of
347 affordability of the affordable dwelling units in a set-aside
348 development, may appeal such decision pursuant to the procedures of
349 this section. Such appeal shall be filed within the time period for filing
350 appeals as set forth in section 8-8, 8-9, 8-28 [, 8-30] or 8-30a, as
351 applicable, and shall be made returnable to the superior court for the
352 judicial district where the real property which is the subject of the
353 application is located. Affordable housing appeals, including pretrial
354 motions, shall be heard by a judge assigned by the Chief Court
355 Administrator to hear such appeals. To the extent practicable, efforts
356 shall be made to assign such cases to a small number of judges, sitting
357 in geographically diverse parts of the state, so that a consistent body of
358 expertise can be developed. Unless otherwise ordered by the Chief
359 Court Administrator, such appeals, including pretrial motions, shall be
360 heard by such assigned judges in the judicial district in which such
361 judge is sitting. Appeals taken pursuant to this subsection shall be
362 privileged cases to be heard by the court as soon after the return day as
363 is practicable. Except as otherwise provided in this section, appeals
364 involving an affordable housing application shall proceed in
365 conformance with the provisions of said section 8-8, 8-9, 8-28 [, 8-30] or
366 8-30a, as applicable.

367 (g) Upon an appeal taken under subsection (f) of this section, the
368 burden shall be on the commission to prove, based upon the evidence
369 in the record compiled before such commission that the decision from
370 which such appeal is taken and the reasons cited for such decision are
371 supported by sufficient evidence in the record. The commission shall
372 also have the burden to prove, based upon the evidence in the record
373 compiled before such commission, that (1) (A) the decision is necessary
374 to protect substantial public interests in health, safety, or other matters
375 which the commission may legally consider; (B) such public interests
376 clearly outweigh the need for affordable housing; and (C) such public
377 interests cannot be protected by reasonable changes to the affordable
378 housing development, or (2) (A) the application which was the subject

379 of the decision from which such appeal was taken would locate
380 affordable housing in an area which is zoned for industrial use and
381 which does not permit residential uses, and (B) the development is not
382 assisted housing, as defined in subsection (a) of this section. If the
383 commission does not satisfy its burden of proof under this subsection,
384 the court shall wholly or partly revise, modify, remand or reverse the
385 decision from which the appeal was taken in a manner consistent with
386 the evidence in the record before it.

387 (h) Following a decision by a commission to reject an affordable
388 housing application or to approve an application with restrictions
389 which have a substantial adverse impact on the viability of the
390 affordable housing development or the degree of affordability of the
391 affordable dwelling units, the applicant may, within the period for
392 filing an appeal of such decision, submit to the commission a proposed
393 modification of its proposal responding to some or all of the objections
394 or restrictions articulated by the commission, which shall be treated as
395 an amendment to the original proposal. The day of receipt of such a
396 modification shall be determined in the same manner as the day of
397 receipt is determined for an original application. The filing of such a
398 proposed modification shall stay the period for filing an appeal from
399 the decision of the commission on the original application. The
400 commission shall hold a public hearing on the proposed modification
401 if it held a public hearing on the original application and may hold a
402 public hearing on the proposed modification if it did not hold a public
403 hearing on the original application. The commission shall render a
404 decision on the proposed modification not later than sixty-five days
405 after the receipt of such proposed modification, provided, if, in
406 connection with a modification submitted under this subsection, the
407 applicant applies for a permit for an activity regulated pursuant to
408 sections 22a-36 to 22a-45, inclusive, and the time for a decision by the
409 commission on such modification under this subsection would lapse
410 prior to the thirty-fifth day after a decision by an inland wetlands and
411 watercourses agency, the time period for decision by the commission
412 on the modification under this subsection shall be extended to thirty-

413 five days after the decision of such agency. The commission shall issue
414 notice of its decision as provided by law. Failure of the commission to
415 render a decision within said sixty-five days or subsequent extension
416 period permitted by this subsection shall constitute a rejection of the
417 proposed modification. Within the time period for filing an appeal on
418 the proposed modification as set forth in section 8-8, 8-9, 8-28 [, 8-30] or
419 8-30a, as applicable, the applicant may appeal the commission's
420 decision on the original application and the proposed modification in
421 the manner set forth in this section. Nothing in this subsection shall be
422 construed to limit the right of an applicant to appeal the original
423 decision of the commission in the manner set forth in this section
424 without submitting a proposed modification or to limit the issues
425 which may be raised in any appeal under this section.

585 cent of the total number of votes cast at the primary for the office or
586 position but not more than one thousand votes, or (2) less than twenty
587 votes, there shall be a recanvass of the returns of the voting machine or

642 his application for such forms and his application, if so marked, shall
643 not be amended in this respect. No application made after November
644 3, 1981, shall contain any party designation unless a reservation of

857 application is approved by the assessor, it shall be forwarded to the
858 secretary on or before July first of the year in which such application is
859 approved, [provided] except that in the case of a taxpayer who
860 received a filing date extension from the secretary, such application

880 Sec. 35. Subsection (a) of section 12-170w of the general statutes is
881 repealed and the following is substituted in lieu thereof (*Effective from*
882 *passage*):

883 (a) No claim shall be accepted under section 12-170v unless the
884 taxpayer or authorized agent of such taxpayer files an application with
885 the assessor of the municipality in which the property is located, in
886 such form and manner as the assessor may prescribe, during the
887 period from February first to and including May fifteenth of any year
888 in which benefits are first claimed, including such information as is
889 necessary to substantiate such claim in accordance with requirements
890 in such application. A taxpayer may make application to the assessor
891 prior to August fifteenth of the claim year for an extension of the
892 application period. The assessor may grant such extension in the case
893 of extenuating circumstance due to illness or incapacitation as
894 evidenced by a physician's certificate to that extent, or if the assessor
895 determines there is good cause for doing so. The taxpayer shall present
896 to the assessor a copy of such taxpayer's federal income tax return and

898 separately, for such taxpayer's taxable year ending immediately prior
899 to the submission of the taxpayer's application, or if not required to file
900 a federal income tax return, such other evidence of qualifying income
901 in respect to such taxable year as the assessor may require. Each such
902 application, together with the federal income tax return and any other
903 information submitted in relation thereto, shall be examined by the
904 assessor and a determination shall be made as to whether the

905 application is approved. Upon determination by the assessor that the
906 applying homeowner is entitled to tax relief in accordance with the
907 provisions of section 12-170v and this section, the assessor shall notify
908 the homeowner and the municipal tax collector of the approval of such
909 application. The municipal tax collector shall determine the maximum
910 amount of the tax due with respect to such homeowner's residence and
911 thereafter the property tax with respect to such homeowner's residence
912 shall not exceed such amount. After a taxpayer's claim for the first year
913 has been filed and approved such taxpayer shall file such an
914 application biennially. In respect to such application required after the
915 filing and approval for the first year the assessor in each municipality
916 shall notify each such taxpayer concerning application requirements
917 by regular mail not later than February first of the assessment year in
918 which such taxpayer is required to reapply, enclosing a copy of the
919 required application form. Such taxpayer may submit such application
920 to the assessor by mail provided it is received by the assessor not later
921 than March fifteenth in the assessment year with respect to which such
922 tax relief is claimed. Not later than April first of such year the assessor

924 application was not received by said March fifteenth concerning
925 application requirements and such taxpayer shall submit not later than
926 May fifteenth such application personally or for reasonable cause, by a
927 person acting [in] on behalf of such taxpayer as approved by the

929 Sec. 36. Subsection (e) of section 12-170aa of the general statutes is
930 repealed and the following is substituted in lieu thereof (*Effective from*
931 *passage*):

932 (e) Any claim for tax reduction under this section shall be submitted
933 for approval, on the application form prepared for such purpose by the
934 Secretary of the Office of Policy and Management, in the first year
935 claim for such tax relief is filed and biennially thereafter. The amount
936 of tax reduction approved shall be applied to the real property tax
937 payable by the homeowner for the assessment year in which such
938 application is submitted and approved. If any such homeowner has

939 qualified for tax reduction under this section, the tax reduction
940 determined shall, when possible, be applied and prorated uniformly
941 over the number of installments in which the real property tax is due
942 and payable to the municipality in which he resides. In the case of any
943 homeowner who is eligible for tax reduction under this section as a
944 result of increases in qualifying income, effective with respect to the
945 assessment year commencing October 1, 1987, under the schedule of
946 qualifying income and tax reduction in subsection (c) of this section,
947 exclusive of any such increases related to social security adjustments in
948 accordance with subsection (b) of this section, the total amount of tax
949 reduction to which such homeowner is entitled shall be credited and
950 uniformly prorated against property tax installment payments
951 applicable to such homeowner's residence which become due after
952 such homeowner's application for tax reduction under this section is
953 accepted. In the event that a homeowner has paid in full the amount of
954 property tax applicable to such homeowner's residence, regardless of
955 whether the municipality requires the payment of property taxes in
956 one or more installments, such municipality shall make payment to
957 such homeowner in the amount of the tax reduction allowed. The
958 municipality shall be reimbursed for the amount of such payment in
959 accordance with subsection (g) of this section. In respect to such
960 application required biennially after the filing and approval for the
961 first year, the tax assessor in each municipality shall notify each such
962 homeowner concerning application requirements by regular mail not
963 later than February first, annually enclosing a copy of the required
964 application form. Such homeowner may submit such application to the
965 assessor by mail provided it is received by the assessor not later than
966 March fifteenth in the assessment year with respect to which such tax
967 reduction is claimed. Not later than April first of such year the assessor
968 shall notify, by certified mail, any such homeowner for whom such
969 application was not received by said March fifteenth concerning
970 application requirements and such homeowner shall be required not
971 later than May fifteenth to submit such application personally or, for
972 reasonable cause, by a person acting [in] on behalf of such taxpayer as
973 approved by the assessor. In the year immediately following any year

974 in which such homeowner has submitted application and qualified for
975 tax reduction in accordance with this section, such homeowner shall be
976 presumed, without filing application therefor, to be qualified for tax
977 reduction in accordance with the schedule in subsection (c) of this
978 section in the same percentage of property tax as allowed in the year
979 immediately preceding. If any homeowner has qualified and received
980 tax reduction under this section and subsequently in any calendar year
981 has qualifying income in excess of the maximum described in this
982 section, [he] such homeowner shall notify the tax assessor on or before
983 the next filing date and shall be denied tax reduction under this section
984 for the assessment year and any subsequent year or until [he] such
985 homeowner has reapplied and again qualified for benefits under this
986 section. Any such person who fails to so notify the tax assessor of his
987 disqualification shall refund all amounts of tax reduction improperly
988 taken and be fined not more than five hundred dollars.

1041 tax imposed by this chapter shall not apply with respect to the taxable
1042 year in which falls the date of his or her death, or with respect to any
1043 prior taxable year ending on or after the first day so served in a combat
1044 zone, and no returns shall be required [in] on behalf of such person or

2607 a claim [in] on behalf of the state against the estate of such deceased
2608 veteran for the sum so paid, and the claim shall be a preferred claim
2609 against such estate and shall be paid to the Treasurer of the state. The
2610 commissioner, upon the advice of the Attorney General, may make

3426 choice at the respondent's own expense. The notice shall also include a
3427 statement in boldface type of a minimum size of twelve points in
3428 substantially the following form:

3429 "POSSIBLE CONSEQUENCES OF THE APPOINTMENT OF A
3430 CONSERVATOR FOR YOU

3431 This court has received an application to appoint a conservator for
3432 you. A conservator is a court-appointed legal guardian who may be
3433 assigned important decision-making authority over your affairs. If the
3434 application is granted and a conservator is appointed for you, you will
3435 lose some of your rights.

3436 A permanent conservator may only be appointed for you after a
3437 court hearing. You have the right to attend the hearing on the
3438 application for appointment of a permanent conservator. If you are not
3439 able to access the court where the hearing will be held, you may
3440 request that the hearing be moved to a convenient location, even to
3441 your place of residence.

3442 You should have an attorney represent you at the hearing on the
3443 application. If you are unable to obtain an attorney to represent you at
3444 the hearing, the court will appoint an attorney for you. If you are
3445 unable to pay for representation by an attorney, the court will pay
3446 attorney fees as permitted by the court's rules. Even if you qualify for
3447 payment of an attorney on your behalf, you may choose an attorney if
3448 the attorney will accept the attorney fees permitted by the court's rules.

3449 If, after a hearing on the application, the court decides that you lack
3450 the ability to care for yourself, pay your bills or otherwise manage
3451 your affairs, the court may review any alternative plans you have to
3452 get assistance to handle your own affairs that do not require
3453 appointment of a conservator. If the court decides that there are no
3454 adequate alternatives to the appointment of a conservator, the court
3455 may appoint a conservator and assign the conservator responsibility
3456 for some or all of the duties listed below. While the purpose of a
3457 conservator is to help you, you should be aware that the appointment
3458 of a conservator limits your rights. Among the areas that may be
3459 affected are:

- 3460 - Accessing and budgeting your money
- 3461 - Deciding where you live
- 3462 - Making medical decisions for you
- 3463 - Paying your bills
- 3464 - Managing your real and personal property

3465 You may participate in the selection of your conservator. If you

3466 have already designated a conservator or if you inform the court of
3467 your choice for a conservator, the court must honor your request
3468 unless the court decides that the person designated by you is not
3469 appropriate.

3470 The conservator appointed for you may be a lawyer, a public official
3471 or someone whom you did not know before the appointment. The
3472 conservator will be required to make regular reports to the court about
3473 you. The conservator may charge you a fee, under the supervision of
3474 the court, for being your conservator."

3475 Sec. 137. Subsection (b) of section 45a-654 of the general statutes is
3476 repealed and the following is substituted in lieu thereof (*Effective from*
3477 *passage*):

3478 (b) Unless the court waives the medical evidence requirement
3479 pursuant to subsection (e) of this section, an appointment of a
3480 temporary conservator shall not be made unless a report is filed with
3481 the application for appointment of a temporary conservator, signed by
3482 a physician licensed to practice medicine or surgery in this state,
3483 stating: (1) That the physician has examined the respondent and the
3484 date of such examination, which shall not be more than three days
3485 prior to the date of presentation to the judge; (2) that it is the opinion of
3486 the physician that the respondent is incapable of managing his or her
3487 affairs or incapable of caring for himself or herself; and (3) the reasons
3488 for such opinion. Any physician's report filed with the court pursuant
3489 to this subsection shall be confidential. The court shall provide for the
3490 disclosure of the medical information required pursuant to this
3491 subsection to the respondent on the respondent's request, to the
3492 respondent's attorney and to any other party considered appropriate
3493 by the court.

3508 visitation and support of any minor child of the parties, subject to the
3509 provisions of sections 46b-54, 46b-56, 46b-57 and 46b-66. Proceedings
3510 to obtain such orders shall be commenced by service of an application,
