664 Any increase in the amount of life insurance arising from an increase
665 in compensation shall take effect on the first day of April or the first
666 day of October, whichever date first occurs following the day
667 preceding the date on which the increase in compensation shall
668 become effective, except that increases of life insurance arising from

669 retroactive salary increases shall take effect on the first day of April or
670 October subsequent to the approval date of such increases, but no
671 reduction in the amount of life insurance shall be required on account
672 of a reduction in compensation. For the purposes of this section, yearly
673 gross compensation shall consist only of payments to an employee on
674 the basis of allocation of his position to the compensation schedule and
675 shall not include overtime payments, [longevity payments pursuant to
676 section 5-213,] lump-sum payments for outstandingly meritorious
677 service or one-time bonus payments pursuant to subsection (d) of
678 section 5-210. In the case of hourly workers, yearly gross compensation
679 shall be computed on the basis of scheduled required work hours. In
680 the case of members of the General Assembly yearly gross
681 compensation shall be the compensation established in section 2-8.

682 Sec. 38. Section 5-259d of the general statutes is repealed and the
683 following is substituted in lieu thereof (*Effective from passage*):

684 (a) As used in this section, (1) "state employee" or "employee" means
685 any elected official, officer or full-time employee of the Executive,
686 Legislative or Judicial Department, and (2) "part pay" means the
687 difference between the state employee's base rate of pay [, plus
688 longevity,] in the employee's primary position on the date the
689 employee is called to active service in the armed forces of any state or
690 the United States and the total compensation the employee receives for
691 such active service, as certified to the State Comptroller by the
692 employing state agency in a manner acceptable to the State
693 Comptroller.

694 (b) Notwithstanding any provision of the general statutes or any
695 public or special act, the state shall continue to provide coverage,
696 under a group hospitalization and medical and surgical insurance plan
697 sponsored by the state under section 5-259, for the dependents of any
698 state employee and the state employee who is a member of the armed
699 forces of any state or of any reserve component of the armed forces of
700 the United States and who has been called to active service in the

701 armed forces of any state or the United States for (1) Operation
702 Enduring Freedom, (2) Operation Noble Eagle, (3) a related emergency
703 operation or a military operation whose mission was substantially
704 changed as a result of the attacks of September 11, 2001, (4) federal
705 action or state action authorized by the Governor in support of the
706 federal Department of Homeland Security's Operation Liberty Shield,
707 military operations that are authorized by the President of the United
708 States that entail military action against Iraq, or federal action or state
709 action authorized by the Governor to combat terrorism within the
710 United States, or (5) federal action or state action authorized by the
711 Governor or the President of the United States that entails service or
712 military action as part of Operation Jump Start at the border of the
713 United States and Mexico, for the duration of such call-up to active
714 service, provided such state employee and dependents were covered
715 by the insurance plan on the date the state employee was called to
716 active service and the state employee continues to pay any amount that
717 the employee was required to pay for coverage before being called to
718 active service. Any payment required to be made by the employee for
719 coverage under this subsection may be deducted from compensation
720 provided under subsection (c) of this section. The state shall reimburse
721 any state employee who has paid premiums for the continuation of
722 any such group hospitalization and medical and surgical insurance
723 plan between the date such state employee was called to active service
724 and November 20, 2001. The reimbursement shall be in the amount of
725 the state's portion of the premiums so paid.

726 (c) Notwithstanding any provision of the general statutes or any
727 public or special act, any state employee who is a member of the
728 armed forces of any state or of any reserve component of the armed
729 forces of the United States and who has been called to active service in
730 the armed forces of any state or the United States for (1) Operation
731 Enduring Freedom, (2) Operation Noble Eagle, (3) a related emergency
732 operation or a military operation whose mission was substantially
733 changed as a result of the attacks of September 11, 2001, (4) federal
734 action or state action authorized by the Governor in support of the

735 federal Department of Homeland Security's Operation Liberty Shield,
736 military operations that are authorized by the President of the United
737 States that entail military action against Iraq, or federal action or state
738 action authorized by the Governor to combat terrorism within the
739 United States, or (5) federal action or state action authorized by the
740 Governor or the President of the United States that entails service or
741 military action as part of Operation Jump Start at the border of the
742 United States and Mexico, shall continue to accrue all vacation time,
743 equivalent leave time and sick time to which the employee would be
744 entitled if he or she had continued working in his or her state position
745 during the time of such active service, and shall be credited with such
746 accrued vacation time, equivalent leave time or sick time, except that if
747 the accrual of such vacation time, equivalent leave time or sick time
748 pursuant to this subsection while on active service would cause the
749 employee to exceed any limit on leave time pursuant to any provision
750 of the general statutes, the regulations of Connecticut state agencies or
751 a collective bargaining agreement, the limit shall be temporarily
752 waived to allow the employee to use the excess leave time before the
753 later of the following: (A) From the date of the state employee's
754 discharge from active service until the state employee returns to state
755 employment, (B) not later than one hundred twenty calendar days
756 after the state employee returns to state employment, (C) not later than
757 one hundred twenty calendar days after the state employee is credited
758 with such excess leave time, or (D) for state employees in teaching or
759 professional positions in Unified School District #1 established
760 pursuant to section 18-99a within the Department of Correction who
761 were credited with equivalent leave time pursuant to this section, not
762 later than one year after the employee is credited with such excess
763 leave time. The employee shall be entitled to a leave of absence with
764 pay as provided in section 27-33 from the date on which the employee
765 was called to active service. After the expiration of such leave of
766 absence with pay, the state employee shall receive part pay for the
767 duration of such call-up to active service if the compensation received
768 by the state employee for such active service is less than the

769 employee's base rate of pay [, plus longevity,] in the employee's
770 primary position. The state employee shall not be required to exhaust
771 accrued vacation time, equivalent leave time or sick time in order to be
772 eligible for the paid leave of absence and part pay under this
773 subsection. As used in this section, "equivalent leave time" means leave
774 time classified as other than vacation time or sick time and includes,
775 but is not limited to, leave time classified as recess rather than vacation
776 time.

777 (d) No state employee shall be deemed ineligible for any benefit
778 under this section or under any other provision of this chapter solely
779 because such employee's leave time is classified as recess or other
780 equivalent leave time rather than vacation time pursuant to the
781 provisions of a collective bargaining agreement, including a collective
782 bargaining agreement covering a state employee in a teaching,
783 instructional or professional position in the Unified School Districts 1,
784 2 or 3.

785 Sec. 39. Section 31-277 of the general statutes is repealed and the
786 following is substituted in lieu thereof (*Effective from passage*):

787 (a) Each commissioner shall, during his first year of service as a
788 commissioner, receive an annual salary of six thousand dollars less
789 than the highest step level of a Superior Court judge; during his second

794 dollars less than the highest step level of a Superior Court judge;

796 annual salary of three thousand dollars less than the highest step level
797 of a Superior Court judge; during his fifth year of service as a
798 commissioner, he shall receive an annual salary of two thousand
799 dollars less than the highest step level of a Superior Court judge; and
800 during his sixth year of service as a commissioner, he shall receive an

801 annual salary of one thousand dollars less than the highest step level of
802 a Superior Court judge, together with his necessary clerical, office and
803 travel expenses as approved by the Comptroller; and the chairman of
804 the Workers' Compensation Commission shall receive in addition ten
805 thousand dollars annually. Each commissioner shall devote his entire
806 time to the duties of his office and shall not be otherwise gainfully
807 employed.

808 (b) [Each] (1) Prior to April 1, 2010, each commissioner, who has
809 completed not less than ten years of service as a commissioner, or
810 other state service or service as an elected officer of the state, or any
811 combination of such service, shall receive semiannual longevity
812 payments based on service completed as of the first day of July and the
813 first day of January of each year as follows:

815 less than fifteen years of service shall receive one-quarter of three per
816 cent of the annual salary payable under subsection (a) of this section.

818 but less than twenty years of service shall receive one-half of three per
819 cent of the annual salary payable under subsection (a) of this section.

820 [(3)] (C) A commissioner who has completed twenty or more years
821 but less than twenty-five years of service shall receive three-quarters of
822 three per cent of the annual salary payable under subsection (a) of this
823 section.

824 [(4)] (D) A commissioner who has completed twenty-five or more
825 years of service shall receive three per cent of the annual salary
826 payable under subsection (a) of this section.

827 (2) On and after April 1, 2010, no payments shall be made under the
828 provisions of this subsection, except that commissioners that received

1380 individual's achievable health and independent functioning provided
1381 such services are: (1) Consistent with generally-accepted standards of
1382 medical practice that are defined as standards that are based on (A)
1383 credible scientific evidence published in peer-reviewed medical
1384 literature that is generally recognized by the relevant medical
1385 community, (B) recommendations of a physician-specialty society, (C)
1386 the views of physicians practicing in relevant clinical areas, and (D)
1387 any other relevant factors; (2) clinically appropriate in terms of type,
1388 frequency, timing, site, extent and duration and considered effective

1391 other health care providers; (4) not more costly than an alternative
1392 service or sequence of services at least as likely to produce equivalent
1393 therapeutic or diagnostic results as to the diagnosis or treatment of the
1394 individual's illness, injury or disease; and (5) based on an assessment
1395 of the individual and his or her medical condition.

1396 (b) Clinical policies, medical policies, clinical criteria or any other
1397 generally accepted clinical practice guidelines used to assist in
1398 evaluating the medical necessity of a requested health service shall be
1399 used solely as guidelines and shall not be the basis for a final
1400 determination of medical necessity.

1401 (c) Upon denial of a request for authorization of services based on
1402 medical necessity, the individual shall be notified that, upon request,
1403 the Department of Social Services shall provide a copy of the specific
1404 guideline or criteria, or portion thereof, other than the medical
1405 necessity definition provided in subsection (a) of this section, that was
1406 considered by the department or an entity acting on behalf of the
1407 department in making the determination of medical necessity.

1408 (d) The Department of Social Services shall amend or repeal any
1409 definitions in the regulations of Connecticut state agencies that are

1410 inconsistent with the definition of medical necessity provided in
1411 subsection (a) of this section, including the definitions of medical
1412 appropriateness and medically appropriate, that are used in
1413 administering the department's medical assistance program. The
1414 commissioner shall implement policies and procedures to carry out the
1415 provisions of this section while in the process of adopting such policies
1416 and procedures in regulation form, provided notice of intent to adopt
1417 the regulations is published in the Connecticut Law Journal not later
1418 than twenty days after implementation. Such policies and procedures
1419 shall be valid until the time the final regulations are adopted.

1420 Sec. 54. Section 17b-192 of the 2010 supplement to the general
1421 statutes is repealed and the following is substituted in lieu thereof
1422 (*Effective from passage*):

1423 (a) The Commissioner of Social Services shall implement a state
1424 medical assistance component of the state-administered general
1425 assistance program for persons who do not meet the categorical
1426 eligibility criteria for Medicaid on the basis of age, blindness,
1427 disability, pregnancy, being a parent or other caretaker relative of a
1428 dependent child, being a child under the age of twenty-one, or having
1429 been screened for breast or cervical cancer under the Centers for
1430 Disease Control and Prevention's National Breast and Cervical Cancer
1431 Early Detection Program and are found to need treatment for either
1432 breast or cervical cancer. Eligibility criteria concerning income shall be
1433 the same as the medically needy component of the Medicaid program,
1434 except that earned monthly gross income of up to one hundred fifty
1435 dollars shall be disregarded. Unearned income shall not be
1436 disregarded. No person who has family assets exceeding one thousand
1437 dollars shall be eligible. No person shall be eligible for assistance
1438 under this section if such person made, during the three months prior
1439 to the month of application, an assignment or transfer or other
1440 disposition of property for less than fair market value. The number of
1441 months of ineligibility due to such disposition shall be determined by
1442 dividing the fair market value of such property, less any consideration

1443 received in exchange for its disposition, by five hundred dollars. Such
1444 period of ineligibility shall commence in the month in which the
1445 person is otherwise eligible for benefits. Any assignment, transfer or
1446 other disposition of property, on the part of the transferor, shall be
1447 presumed to have been made for the purpose of establishing eligibility
1448 for benefits or services unless such person provides convincing
1449 evidence to establish that the transaction was exclusively for some
1450 other purpose.

1451 (b) Each person eligible for state-administered general assistance
1452 shall be entitled to receive medical care through a federally qualified
1453 health center or other primary care provider as determined by the
1454 commissioner. The Commissioner of Social Services shall determine
1455 appropriate service areas and shall, in the commissioner's discretion,
1456 contract with community health centers, other similar clinics, and
1457 other primary care providers, if necessary, to assure access to primary
1458 care services for recipients who live farther than a reasonable distance
1459 from a federally qualified health center. The commissioner shall assign
1460 and enroll eligible persons in federally qualified health centers and
1461 with any other providers contracted for the program because of access
1462 needs. Each person eligible for state-administered general assistance
1463 shall be entitled to receive hospital services. Medical services under the
1464 program shall be limited to the services provided by a federally
1465 qualified health center, hospital, or other provider contracted for the
1466 program at the commissioner's discretion because of access needs. The
1467 commissioner shall ensure that ancillary services and specialty services
1468 are provided by a federally qualified health center, hospital, or other
1469 providers contracted for the program at the commissioner's discretion.
1470 Ancillary services include, but are not limited to, radiology, laboratory,
1471 and other diagnostic services not available from a recipient's assigned
1472 primary care provider, and durable medical equipment. Specialty
1473 services are services provided by a physician with a specialty that are
1474 not included in ancillary services. Ancillary or specialty services
1475 provided under the program shall not exceed such services provided
1476 under the state-administered general assistance program on July 1,

1477 2003, except for nonemergency medical transportation and vision care
1478 services which may be provided on a limited basis within available
1479 appropriations. Notwithstanding any provision of this subsection, the
1480 commissioner may provide, or require a contractor to provide, home
1481 health services or skilled nursing facility coverage for state-
1482 administered general assistance recipients being discharged from a
1483 chronic disease hospital when the provision of such services or
1484 coverage is determined to be cost effective by the commissioner.

1485 (c) Pharmacy services shall be provided to recipients of state-
1486 administered general assistance through the federally qualified health
1487 center to which they are assigned or through a pharmacy with which
1488 the health center contracts. Recipients who are assigned to a
1489 community health center or similar clinic or primary care provider
1490 other than a federally qualified health center or to a federally qualified
1491 health center that does not have a contract for pharmacy services shall
1492 receive pharmacy services at pharmacies designated by the
1493 commissioner. The Commissioner of Social Services or the managed
1494 care organization or other entity performing administrative functions
1495 for the program as permitted in subsection (d) of this section, shall
1496 require prior authorization for coverage of drugs for the treatment of
1497 erectile dysfunction. The commissioner or the managed care
1498 organization or other entity performing administrative functions for
1499 the program may limit or exclude coverage for drugs for the treatment
1500 of erectile dysfunction for persons who have been convicted of a sexual
1501 offense who are required to register with the Commissioner of Public
1502 Safety pursuant to chapter 969.

1503 (d) The Commissioner of Social Services shall contract with
1504 federally qualified health centers or other primary care providers as
1505 necessary to provide medical services to eligible state-administered
1506 general assistance recipients pursuant to this section. The
1507 commissioner shall, within available appropriations, make payments
1508 to such centers based on their pro rata share of the cost of services
1509 provided or the number of clients served, or both. The Commissioner

1510 of Social Services shall, within available appropriations, make
1511 payments to other providers based on a methodology determined by
1512 the commissioner. The Commissioner of Social Services may reimburse
1513 for extraordinary medical services, provided such services are
1514 documented to the satisfaction of the commissioner. For purposes of
1515 this section, the commissioner may contract with a managed care
1516 organization or other entity to perform administrative functions,
1517 including a grievance process for recipients to access review of a denial
1518 of coverage for a specific medical service, and to operate the program
1519 in whole or in part. Provisions of a contract for medical services
1520 entered into by the commissioner pursuant to this section shall
1521 supersede any inconsistent provision in the regulations of Connecticut
1522 state agencies. A recipient who has exhausted the grievance process
1523 established through such contract and wishes to seek further review of
1524 the denial of coverage for a specific medical service may request a
1525 hearing in accordance with the provisions of section 17b-60.

1526 (e) Each federally qualified health center participating in the
1527 program shall enroll in the federal Office of Pharmacy Affairs Section
1528 340B drug discount program established pursuant to 42 USC 256b to
1529 provide pharmacy services to recipients at Federal Supply Schedule
1530 costs. Each such health center may establish an on-site pharmacy or
1531 contract with a commercial pharmacy to provide such pharmacy
1532 services.

1533 (f) The Commissioner of Social Services shall, within available
1534 appropriations, make payments to hospitals for inpatient services
1535 based on their pro rata share of the cost of services provided or the
1536 number of clients served, or both. The Commissioner of Social Services
1537 shall, within available appropriations, make payments for any
1538 ancillary or specialty services provided to state-administered general
1539 assistance recipients under this section based on a methodology
1540 determined by the commissioner.

1541 (g) The Commissioner of Social Services shall [seek a waiver of

1542 federal law] submit to the federal government a proposed amendment
1543 to the Medicaid state plan for the purpose of extending health
1544 insurance coverage under Medicaid to persons who otherwise qualify
1545 for medical assistance under the state-administered general assistance
1546 program. [The provisions of section 17b-8 shall apply to this section. If
1547 the commissioner fails to submit the application for the waiver to the
1548 joint standing committees of the General Assembly having cognizance
1549 of matters relating to human services and appropriations by February
1550 1, 2010, the commissioner shall submit a written report to said
1551 committees not later than February 2, 2010. The report shall include,
1552 but not be limited to: (1) An explanation of the reasons for failing to
1553 seek the waiver; and (2) an estimate of the fiscal impact that would
1554 result from the approval of the waiver in one calendar year.] If such
1555 proposed amendment to the Medicaid state plan is approved by the
1556 federal government, the commissioner shall, not later than April 1,
1557 2010, implement the changes as provided in the proposed amendment.

1558 [(h) Upon approval of the waiver submitted pursuant to subsection
1559 (g) of this section, the commissioner may provide, or require a
1560 contractor, federally qualified health center or other provider to
1561 provide coverage for home care services, school-based services or
1562 other outpatient community-based services for state-administered
1563 general assistance recipients when the provision of such services or
1564 coverage is determined to be cost effective by the commissioner. The
1565 commissioner shall contract with federally qualified health centers or
1566 other primary care providers as necessary to provide such services to
1567 eligible state-administered general assistance recipients pursuant to
1568 this section. The commissioner shall, within available appropriations,
1569 make payments to such centers for any home based services, school-
1570 based services or other outpatient community-based services provided
1571 by such centers.]

1572 [(i) (h) The commissioner, pursuant to section 17b-10, may
1573 implement policies and procedures to administer the provisions of this
1574 section while in the process of adopting such policies and procedures

1575 as regulation, provided the commissioner prints notice of the intent to
1576 adopt the regulation in the Connecticut Law Journal not later than
1577 twenty days after the date of implementation. Such policy shall be
1578 valid until the time final regulations are adopted.

1579 Sec. 55. (NEW) (*Effective from passage*) (a) For the fiscal year ending
1580 June 30, 2010, and for each fiscal year thereafter, the funds
1581 appropriated to hospitals in the accounts Disproportionate Share -
1582 Medical Emergency Assistance, DSH - Urban Hospitals in Distressed
1583 Municipalities and Connecticut Children's Medical Center shall be
1584 transferred to the Medicaid Rates - Hospitals account for the purpose
1585 of obtaining federal matching funds. Such funds shall be used to
1586 increase each hospital's Medicaid rate to offset one hundred per cent of
1587 the hospital's loss of disproportionate share funds resulting from the
1588 transfer of such funds.

1589 (b) The Commissioner of Social Services shall require each managed
1590 care organization participating in the HUSKY Plan to pay to
1591 contracting hospital providers no less than the rate established by the
1592 commissioner for the Medicaid fee-for-service program.

1593 Sec. 56. (NEW) (*Effective January 1, 2011*) Each individual health
1594 insurance policy, providing coverage of the type specified in
1595 subdivisions (1), (2), (4), (11) and (12) of section 38a-469 of the general
1596 statutes delivered, issued for delivery, renewed, amended or
1597 continued in this state, shall provide coverage for services provided at
1598 a school-based health center to the extent that such services are a
1599 covered benefit under the policy. For purposes of this section, "school-
1600 based health center" means a comprehensive primary health care
1601 facility licensed by the Department of Public Health as an outpatient
1602 clinic.

1603 Sec. 57. (NEW) (*Effective January 1, 2011*) Each group health
1604 insurance policy, providing coverage of the type specified in

1607 continued in this state, shall provide coverage for services provided at
 1608 a school-based health center to the extent that such services are a
 1609 covered benefit under the policy. For purposes of this section, "school-
 1610 based health center" means a comprehensive primary health care
 1611 facility licensed by the Department of Public Health as an outpatient
 1612 clinic.

 1614 the general statutes is repealed and the following is substituted in lieu
 1615 thereof (*Effective from passage and applicable to estates of decedents who die*
