**"AN ACT CONCERNING TECHNICAL REVISIONS TO THE  
PLANNING AND DEVELOPMENT STATUTES."**

1 After the last section, add the following and renumber sections and  
2 internal references accordingly:

3 "Sec. 501. (NEW) (*Effective from passage*) The administrator of any  
4 project utilizing fuel cells with an electricity purchase agreement  
5 entered into and approved by the Department of Public Utility Control  
6 pursuant to subsection (j) of section 16-244c of the general statutes,  
7 with a generating capacity of not greater than five megawatts, to be  
8 sited within fifty feet of a natural gas transmission facility that operates  
9 at pressures in excess of one hundred fifty pounds, may submit a  
10 request to said department for a modification to such purchase  
11 agreement that would permit the project to move to an alternative  
12 location and allow for an equitable adjustment in contract pricing to

13 account for any change in the project attributable to the change in  
14 location. Said department shall open a docket to review such  
15 modification request not later than thirty days after receipt of such  
16 request. Said department may approve such modification request not  
17 later than one hundred twenty days after receipt of such request.  
18 Factors affecting such modification shall be limited to location, contract  
19 pricing and schedule attributable to the change in location. No existing  
20 electricity purchase agreement shall be cancelled or deemed in  
21 noncompliance by an electric distribution company until such  
22 modification is approved."
