Introducer(s):

Public Health Committee

Title: AN ACT CONCERNING HEALTH INFORMATION TECHNOLOGY.

Statement of Purpose: To replace the health information technology and exchange advisory committee that currently advises the Department of Public Health regarding implementation of the health information technology plan with a new Connecticut e-Health Institute. The institute would serve as the lead information exchange organization for the state, seek federal and private money for the development of a state-wide health information exchange and facilitate the implementation of the health information technology plan.
