TESTIMONY OF RICHARD A. SODERMAN
THE CONNECTICUT LIGHT AND POWER COMPANY
and YANKEE GAS SERVICES COMPANY
Energy and Technology Committee—Feb.23 2010

R.B. No. 180 *AN ACT ELIMINATING THE SUNSET FOR THE RESIDENTIAL ENERGY CONSERVATION SERVICE PROGRAM.*

Current law provides the residential energy conservation service program would terminate as of July 1, 2010. The proposed bill would remove this termination provision and permit the program to continue into the future. This program provides energy efficiency services to limited income consumers.

We support this proposed bill.

Thank you for the opportunity to present testimony on this bill.
