The Honorable Andrew McDonald
Co-Chair, Judiciary Committee
Legislative Office Building
Hartford, CT 06106

Dear Senator ^{Andrew} McDonald:

I write to support Susan Quinn Cobb's nomination by Governor M. Jodi Rell for the position of superior court judge. I have known and worked with Susan for many years and am confident that she would make an outstanding jurist.

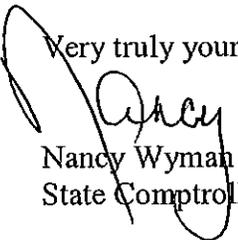

Susan has been an attorney for over 20 years and has practiced in both the public and private sectors. She is presently the Department Head of the Special Litigation/Public Charities Department of the Attorney General's Office, one of the Attorney General's most respected, hardworking and talented departments. She has been involved in some of that Office's most significant, high profile and complex matters, and provides state agencies with sound legal advice on a daily basis.

I am personally acquainted with Susan and her legal talents because she has represented my Office for many years in a variety of legal matters. She has always impressed me with her dedication to state service and her knowledge of the law. I, and my staff, have come to respect and rely on her thoughtful and practical legal advice.

In addition, while Susan is a strong and assertive advocate, she has the personality, patience and temperament to handle the array of difficult and varied matters that come before a superior court judge. I am certain that she will consider each case with a fair and open mind and treat all who appear before her with the utmost fairness and respect.

Susan is a dedicated public servant, and I urge you to approve her nomination. Please feel free to call me personally if you have any questions about Susan.

Very truly yours,

Nancy Wymah
