Dear Chairman McDonald,  
Chairman Lawlor and Other Members  
of the Judiciary Committee

I am writing to you with regard to my support of the nomination of David M. Sheridan,  
Esquire as a Superior Court Judge.

I have known David Sheridan both professionally and personally since 1990. He is an  
intelligent individual, dedicated to his profession and has a righteous observance of the law. He  
is compassionate, genuine, reliable and extremely honest. He is organized, efficient, competent,  
and has an excellent rapport with people. He was always a great support to me and my son  
during some very difficult times in my life.

With David's superior knowledge of the law and strong sense of confidence, I feel he  
would be an outstanding Judge of the Superior Court for the State of Connecticut. I hope you  
will give serious consideration to the appointment of David M. Sheridan and I look forward to  
seeing him on the Bench.

Very truly yours,

  
Debra Cornelio
