Subject: In Strong Support of Dave Sheridan

Chairman McDonald, Chairman Lawlor, and Members of the Judiciary Committee,

I write to offer my strong support for Judicial nominee, **David Sheridan**. I am sure you have read about his impressive legal credentials, extensive trial court experience, his impressive tenure as a partner at a top law firm (Levy and Droney) and his service to our Nation in the Navy.

What you may not know is that David Sheridan regularly gives free legal advice to help non-profits get off the ground, is a wonderful husband and father, is incredibly active in a number of philanthropic causes, and is universally respected and beloved by everyone who meets him and knows him.

As people are discussing the United States Supreme Court vacancy, and they are talking about the characteristics they want - someone who is brilliant, someone who is fair, someone who has practical experience in the real world, someone who has dedicated themselves to public service, and someone who thinks about the rights of ordinary Americans - I literally think of Dave Sheridan.

There is no one who deserves it more, or would be a better judge than Dave Sheridan. I hope you will support him - it would mean a lot to me personally.

Thanks.

Sincerely,

Geoff Luxenberg
