Subject: Support for David M. Sheridan Judicial Nomination

Dear Chairman McDonald and Chairman Lawlor and Judiciary Committee Members:

I am writing in support of the nomination of David Sheridan for a Superior Court judgeship.

I practiced law with Attorney Sheridan for approximately twenty years while we were both at Levy & Droney, P.C. During our tenure at L&D I found David to be knowledgeable, thoughtful, patient and, without a doubt, ethical.

While the majority of his time was spent on litigation matters David's early general practice always served him well giving him the necessary perspective on many diverse matters.

In short, I strongly support Attorney Sheridan's nomination and believe his broad legal experience and patient temperament will serve the people of Connecticut well.

I can be reached at stokesbury@shipso.com or 860-606-1708 if you desire further input from me.

Sincerely,

William C. Stokesbury, Esq., Juris #302858
