To Members of the Labor Committee:

My name is Jay Bailey and I am the owner of Fischer Precision Spindles located in Berlin, CT. Our business serves the machine tool industry and like many others, we are desperately fighting to stay in business.

I am writing to voice my opposition to SB-63, which would require Connecticut employers to provide paid sick leave. This proposal will substantially increase our business costs and could force us to reevaluate the other benefits we provide our employees.

I urge you to reject this proposal and work with the business community to control labor and workplace costs in Connecticut. Thank you.

Signed,

Jay Bailey
