

Adult Home Care LLC

"We care for your care"

February 24, 2010

To Members of the Labor Committee:

My name is Linda A. Gillotti; I am the Single Member of Adult Home Care, LLC located in Danbury, CT. AHC is a non-medical company helping Senior Citizens live at home longer than they would be able to with out our help.

I am writing to voice my opposition to SB-63, which would require Connecticut employers to provide paid sick leave. This proposal will substantially increase our business costs and could force us to reevaluate the other benefits we provide our employees.

Not only would providing paid sick leave be quite a hardship financially, but employees would think of it as a paid day off leaving their clients with no help for that day.

We urge you to reject this proposal and work with the business community to control labor and workplace costs in Connecticut. Thank you.

Sincerely,

Linda A. Gillotti
