Senator Kissel, Representative Mushinsky and members of the Program Review and Investigations Committee

The Connecticut Beer Wholesalers Association (CBWA) is a trade association that represents the interests of independent beer distributors located and operating in the State of Connecticut.

CBWA is a partner with the nearly 1,100 off-premise package store retailers in the state of Connecticut and we support the Connecticut Package Store Association opposition to Sunday Sales and for this reason we submit this testimony in opposition to Senate Bill 204 An Act Implementing The Recommendations Of The Program Review and Investigations Committee concerning the Sale of Alcoholic Liquor on Sunday.

We respectfully oppose this bill and ask the Program Review and Investigations Committee to reject the provisions in Senate Bill 204.
