To Our State Legislation,

At our Regular Meeting on March 3, 2011, we were informed that our Town Councilor and Senior Center Liaison Billy Caron has been working hard with Senior Prague to bring forth a Bill to keep our elderly population safe from sex offenders. We are writing to show support for the **Bill # 1108, AN ACT CONCERNING SENIOR SAFETY ZONES**, and urge your attention on passing the Bill which is "To require the Risk Assessment Board to use the risk assessment scale to determine which offenders should be prohibited from residing near senior centers or senior housing." We implore your support of this Bill No. 1108, but also recommend that sex offenders are not only prohibited from "residing" near senior centers but are also "prohibited" from entering senior center facilities and the senior center grounds. We are adamant about the safety of our elderly population taking precedence and making our Senior Centers – **Senior Safety Zones**. Thank you for your support.

Sincerely,

Kathleen Doherty-Peck
