Subject: P&A budget cuts

Dear Members of the Appropriations Committee,

I'm opposed to the budget cuts to P&A services Governor Malloy is proposing. First of all neither you nor him know how it is to be mentally or physically disabled. We as the disabled population are often the forgotten minority, especially if we can't hear or speak. We have to fight extra hard to get anywhere in society and it's nice to know we have an agency such as P&A to fall back on if we need to. Making budget cuts on the services at P&A would make the disabled population more vulnerable in the society.

Sincerely,

Kathryn Cronkrite
