N.F.N is a very good program for me and my daughter. They help me learn the steps of development of my daughter's growth. They help me with diapers every month. Which really comes in handy. They've also helped me cope with my depression through N.F.N by referring me to a therapist who is helping me very much I really appreciate this program and everything they're doing to help me and my daughter. Thank you N.F.N for all your help.
