

Regarding: AN ACT CONCERNING MUNICIPAL LIABILITY FOR RECREATIONAL
ACTIVITIES ON CERTAIN OPEN SPACE LANDS.

As a resident of CT, I see this extension of reasonable liability
protection to municipalities as simply correcting an accidental
oversight and finally closing a loop hole. It is time we extend to
municipalities the same protections given other entities that open
their lands to public use. Let's allow these entities safely keep
their land open, improve our quality of life, and continue to make CT a
great place to live; let's pass this.
