Dear Ms. Phillips:

How can you even think of giving in-state tuition to Illegal aliens when Governor Molloy and the state legislature is trying to find ways to CUT SPENDING? It is terrible to try to make CT taxpayers pay for Illegals. You should be sending the Illegals home instead!

I am so sick of you politicians catering to foreigners and Illegals. Why not instead give in-state tuition to AMERICAN CITIZENS WHO LIVE IN NEW ENGLAND STATES(MA, RI, ME, VE) instead?

NO IN-STATE TUITION FOR ILLEGALS! HOW CAN YOU POLITICIANS EVEN THINK OF THIS WHEN CT IS LOSING JOBS AND CT TAXPAYERS ARE HURTING.
