Testimony of the Connecticut Insurance Department

Before
The Insurance and Real Estate Committee

March 3, 2011

The Connecticut Insurance Department would like to offer the following comment regarding HB 6468—An Act Concerning Regulations for Surplus Lines Insurers.

Certain provisions of the Nonadmitted and Reinsurance Reform Act of 2010, Public Law 111-203 are in direct conflict with current Connecticut law, therefore the Insurance Department will not be able to enact the regulations mandated by HB 6468 until the pertinent Connecticut statutory provisions have been changed.

The Insurance Department staff is happy to work with committee members, legislative staff and interested persons to address this matter.
