OPPOSE

**SB 1094 AN ACT BANNING LARGE CAPACITY AMMUNITION
MAGAZINES**

SUPPORT

**SB1210 AN ACT CONCERNING THE USE OF DEADLY PHYSICAL FORCE
TO DEFEND THE RESIDENTS OF A HOME**

**SB 1206 AN ACT CONCERNING THE RECORDING OF POLICE ACTIVITY
BY THE PUBLIC**

Distinguished members of the Judiciary committee;

I would strongly urge you to **oppose SB 1094**. This will do nothing to prevent crime or stop crazed people intent on doing harm. What it will do is make criminals out of law abiding citizens. The state also owes a duty to compensate the people who will be stripped of their property by this law.

Magazines are expensive and forcing citizens to turn them in or otherwise give them away after they were legally purchased is a wrongful taking. We are in the midst of a state budget crisis. The public would be better served by its legislature if you focused on more important issues such as the budget and jobs.

I would also ask that you **support SB 1210**. A citizen should have the right to defend themselves in their home.

Finally, I would also ask that you support **SB 1206**. If police are not doing anything wrong, they should have no objection to being recorded by members of the public while they are in a public setting.

Sincerely,
Jim Kozlowski
