Subject: Proposed Magazine Ban

Dear Sir,

I would like to inform you that I am enthusiastically OPPOSED to the proposed ban of firearm magazines with capacities over 10 rounds. Such a law does not address the root cause of gun crime, it only punishes those who are law abiding. If this law goes into effect it will also unnecessarily add to the state's deficit. My taxpayer dollars could be spent more wisely on a countless number of other areas that are real needs. I would also like to point out that such a law will hurt manufacturers, including several based in CT.

Thank you for considering my interests.
