Subject: Proposed legislation SB1210 & SB1094

Dear Mr. Smith,

As a resident of the state of Ct. I would like to give my view point on the following bills.

S.B. No. 1210 (RAISED) AN ACT CONCERNING THE USE OF DEADLY PHYSICAL FORCE TO DEFEND THE RESIDENTS OF A HOME.

In today's society I believe everyone has a right to defend themselves in there own home. Our homes are our lively hood and should not be trespassed upon by unwanted thugs and criminals. The home is the joy of the home owner and no home owner should be punished for defending there own property. I support this bill!!!

S.B. No. 1094 (RAISED) AN ACT BANNING LARGE CAPACITY AMMUNITION MAGAZINES.

I oppose this bill! Large capacity magazines are not the problem, criminals are. This bill just takes away from the good guy who is already following all of the rules. What needs to be done is stopping the criminals from getting guns let alone guns with large capacity magazines. None of these non-intellectual bills have ever produce results, but have only punished the good guys.

Sportsman and recreational shooters should not be punished by this bill. Proposed bills like this are never really thought out, there just brought up by someone who doesn't have and idea that they won't work. We should spend more time on the State budget.

I oppose this bill.

Thank you,
Vincent Walker
