Good Morning Senator Coleman, Representative Fox and members of the Judiciary Committee:

S.B. 1230 AN ACT CONCERNING TRAFFIC STOP INFORMATION

This proposal would require the Criminal Justice Policy and Planning Division and the Criminal Justice Information System to develop a form and a procedure for the collection of traffic stop information by law enforcement agencies. In addition, the bill requires CJPPD submit an annual statistical review and recommendations to the legislature. The Governor's proposed budget does not provide the resources necessary to carry out this task and, therefore, the Office of Policy and Management does not support this bill.

We support the current statute, 54-1m, which requires the collection of traffic stop information and we are willing to work with the General Assembly to enforce the current law.
