In Support of Raised S. B. No. 1230 An Act Concerning Traffic Stop Information

Dear Judiciary Committee,

My name is Pastor Brigitte Brown, and I reside in New Britain, Connecticut. I am a Pastor; Social Worker; Community Organizer; member of the Student Governance Council of Smalley Academy and the chairperson of the North-Oak Neighborhood Revitalization Zone.

The purpose of this letter to ask if you can help with my efforts in supporting the **Raised S. B. No. 1230 An Act Concerning Traffic Stop Information**. It was introduced by the Judiciary Committee. This bill will develop a form of reporting for all CT Police Departments, which will eliminate or prevent racial profiling. **I am in support of this bill, and I hope that this committee will be too.**

Thank you for your time and considering my request. I can be directly reached at 860-770-2495 or rhabri@yahoo.com

Sincerely,

Brigitte P. Brown
