

3/23/11

I am writing in regards to S.B.1094 AN ACT BANNING LARGE CAPACITY
AMMUNITION MAGAZINES

I strongly urge you to oppose this bill.

I am the mother of three young children, law abiding Connecticut citizen and gun
owner.

With the Cheshire Home Invasion in the news nearly every day, I find it hard to
believe that anyone would consider making it harder for me to protect myself and
three children.

Furthermore, to make law abiding citizens into felons for possessing something
that was bought in CT legally is absolutely absurd!

Please reject this unfair and overreaching bill.

Thank you!
