Subject: S.B. 1094- Banning High Capacity Ammunition Magazines

Dear Representative,

Unfortunately I am unable to attend the hearing on this matter, so instead I am writing to express my opposition to SB 1094 which would ban high capacity ammunition magazines.

I am a Nurse Practitioner in the state of Connecticut, as well as a mother and safe, lawful gun owner.

I strongly urge you to oppose SB 1094. I disapprove of the proposed legislation for the following reasons :

- This ban would be contrary to the Second Amendment of the US Constitution and Article 1, Section 15 of the Connecticut Constitution.
- The bill would make a felony of what thousands of safe, responsible Connecticut gun owners currently practice.
- Violent criminals would ignore such a law, therefore the law would likely cost more lives than it would save.
- Limited capacity magazines put law abiding citizens at a severe disadvantage in self defense situations.
- Many gun owners would lose hundreds or thousands of dollars worth of these magazines were they forced to turn them in or destroy them.
- Sporting gun enthusiasts use high capacity magazines in competitions and at shooting ranges every day without incident.

Thank you for you attention regarding this matter.
