Subject: Magazine Ban

Mr. Smith,

Supporting the magazine-ban only undermines the voting, law-abiding citizen's right to effectively defend him-, or herself, and their families under The 2nd Amendment against criminals who will continue to illegally obtain superior firepower despite the passage of such a bill. Please vote accordingly to uphold your voting constituency's right to self-defense!

Thank you in advance for taking the time out of your busy schedule to consider my opinion.

John Cooney, MD

Senior Staff Anesthesiologist @ Hartford Hospital
