

Raised Bill SB-1094 (letter of opposition)

I am strongly opposed to this bill SB-1094. The reasons I am strongly opposed is because I will be asked to surrender, or face confiscation of personal property that I purchased legally without compensation for that property, which is unconstitutional. Also, I believe that this is just the first step in loosing my second amendment right to bear arms.

I am a law abiding gun owner of many years, and I do not feel that I should be deemed a felon because I possess magazines that hold more than ten rounds of ammunition, and I also do not see where banning them will solve any problems, since I could simply carry two ten round magazines which will be more ammunition than a so called large capacity magazine can hold. I do not support this bill, or any bills like it, nor do I support anyone who does support it. Also, I will not vote for anyone who supports the removal of my second amendment rights. I feel those people do not support our constitution, and I feel that they do not have any business running this country, or state.

Thank you,
