

My name is William Kershaw, a registered voter in East Haven, CT. I am **OPPOSED** to **S.B No. 1094** **(RAISED) JUDICIARY. 'AN ACT BHANNING LARGE CAPACITY AMMUNITION MAGAZINES'**.

- My purchase of a firearm and its standard capacity magazine was legal.
- This Act (S.B No. 1094) will force confiscation of magazines with capacities greater than 10 is an unconstitutional confiscation of property without due compensation.
- There is no proof that this will reduce crime and will only seek to threaten to create a new class of criminals from the ranks of law abiding citizens of this state.

I am completely OPPOSED to this act.

Thank you for your consideration.
