Testimony RE: SB 1043

(B) the name or other individually identifiable information of the person suspected to be responsible for the abuse or neglect is not disclosed unless the person has been arrested for a crime due to such abuse or neglect.

Dear Committee members: It is unfair to assume that because a person is guilty of abuse merely because he or she was arrested. If the charges were nollied then D.C.F. records should be expunged of those charges. If the person arrested and then convicted then their name should be disclosed.
