Connecticut General Assembly  
Labor and Public Employees Committee  
Room 3800, Legislative Office Building  
Hartford, CT 06106

Dear Committee Members:

Subject: Reject HB-5460, An Act Concerning Captive Audience Meetings

In our company we work very hard to espouse a positive, fair and open work environment. Not only is this the right thing to do, it is good business. On this basis, I feel there is no strong need at this time for the Legislature to delve into the area of employer-employee communications.

I respectfully ask the Legislature to focus its efforts on establishing an environment that encourages job growth and creation, in areas such as balancing our state budget, lowering the tax structure, reducing the regulatory burden, offering lower cost energy options and improving overall infrastructure. I feel that precious time is taken away from the Legislature's ability to focus on these areas when bills such as HB-5460 are considered.

Sincerely,
