

Labor Committee

I have been a Union Officer for a major corporation for over 15 years .In the last 5 years I have seen a weekly increase of employees who have never in 15 or even 30 years have a problem with sick time being harassed by the company for taking as little as 2 days off sick in a calendar year . This has become a weekly occurrence. More then half of the incidents handled by me in the last few years have been of this nature. I ask that you support and pass Bill 6406. To provide relief to workers.
