**Labor and Public Employees Committee
March 3, 2011**

Good Afternoon Senator Prague, Representative Zalaski and members of the Labor and Public Employees Committee. Thank you for the opportunity to provide you with written testimony regarding **Senate Bill 984 AAC the Enhancement of Services at the Labor Department**. My name is Glenn Marshall and I am the Commissioner of the Department of Labor.

The bill requires the Labor Commissioner to submit a report to the labor committee concerning the creation and enhancement of efficiencies in the services this Agency provides. The Labor Commissioner is also charged with recommending administrative or legislative action that is related to labor issues.

The Department certainly supports the concepts outlined in the proposed bill. Our goal is to continuously update and improve its services and make a positive impact in this state. I welcome the opportunity to examine the processes of the Agency and recommend efficiencies for the enhancement of our services.

Thank you for the opportunity to provide this testimony. Please feel free to contact me or my staff if you need additional information.
