Subject: FROM MAYOR PEDRO SEGARRA -- Senate Bill 990, AAC The Prevailing Rate of Wages

Chairmen Prague and Zalaski:

The Mayor asked that I reach out to you to convey his opposition to Senate Bill 990, *AAC The Prevailing Rate of Wages*, which is scheduled for a public hearing tomorrow. While his schedule will not permit him to testify tomorrow, and submission of formal written testimony is even more remote due to his limited availability today, he did want to make sure that you both, as Chairs of the Labor and Public Employees committee, we aware of his opposition to raising the prevailing wage thresholds as set forth in C.G.S. §31-53.

Thank you for your time and your willingness to consider Mayor Segarra's opposition to SB 990. If you have any questions or concerns, do not hesitate to contact me.
