

Labor and Public Employees Committee  
Public Hearing Testimony  
Thursday, February 10, 2011

Good Afternoon Senators , Representative and members of the Labor Committee:

Thank you for giving me the opportunity to testify on Senate Bill 23, An Act Concerning Employees Injured Between 1993 And 2006 And Social Security Offsets Under The Workers' Compensation Act, and special thanks to Representative Hovey, and Senator Prague for there collaboration on this issue.

I wish to tell you what this bill means to me .and for others who fall under the Social Security old age offsets.

This bill will do for my self and other people who are able to receive old age Social Security and not able to work and make ends meet because of a injury that falls under Worker Compensation Ins. under the old bill.

SB 23 will restore there full workers compensation moneys that the Insurance Company's have been able to offset from their Compensation checks. So they may live without worry of how they can make ends meet.

Thank You  
Lena Somers
