

To Members of the Labor Committee:

My name is Robin Imbrogno at the Human Resource Consulting Group., LLC.

I am writing to voice my opposition to Raised Bill No. 913, which would require Connecticut employers to provide paid sick leave. This proposal will substantially increase our business costs and could force us to reevaluate the other benefits we provide our employees and FURTHER reduce headcount.

We urge you to reject this proposal and work with the business community to control labor and workplace costs in Connecticut. Thank you.

Signed,
