D'AMICO ELECTRIC, INC.

72 ORCUTTVILLE RD.

STAFFORD SPRINGS, CT.

My name is Albert D'Amico owner of D'Amico Electric, Inc. In the electrical trade for 50 years and in my own business for 37 years.

I am here to testify regarding bill #987. I read the bill and it is very clear what the intention is.

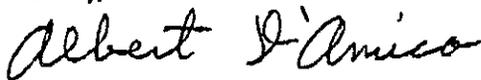

I am an independent electrical contractor. I am not affiliated with any organized labor and am not unionized.

I do belong to IEC Of New England and Independent electrical contractor association statewide and nationwide with thousands of members and I would like to say that there are many independent highly qualified contractors that can do this work and are already doing this type of work with very good results.

These contractors have apprentice programs in place and all other training as required.

This bill will drive up the cost of doing work in Connecticut.

Sincerely,

Albert D'Amico
