

To Whom It May Concern,

I am a resident of Clinton, CT, and am Chair of the Bike & Pedestrian Alliance of Clinton. I am writing to express my support for preserving public access to municipal lands for recreational use. We cannot afford to lose public access to these last remaining vestiges of open space due to the threat of personal injury lawsuits. Please extend the liability protection that is currently available to State and private landowners to municipal lands so that public access can continue.

Sincerely,

Debbie Lundgren
