1 Section 1. Section 14-296aa of the general statutes is repealed and
2 the following is substituted in lieu thereof (*Effective from passage*):

15 operator to maintain both hands on the steering wheel.

16 (5) "Hands-free mobile telephone" means a hand-held mobile
17 telephone that has an internal feature or function, or that is equipped
18 with an attachment or addition, whether or not permanently part of
19 such hand-held mobile telephone, by which a user engages in a call
20 without the use of either hand, whether or not the use of either hand is
21 necessary to activate, deactivate or initiate a function of such
22 telephone.

23 (6) "Engage in a call" means talking into or listening on a hand-held
24 mobile telephone, but does not include holding a hand-held mobile
25 telephone to activate, deactivate or initiate a function of such
26 telephone.

27 (7) "Immediate proximity" means the distance that permits the

30 require physical contact with such operator's ear.

32 portable electronic equipment capable of providing data
33 communication between two or more persons, including a text
34 messaging device, a paging device, a personal digital assistant, a
