

**Transportation Committee
PUBLIC HEARING
Monday, February 14, 2011**

To: Senator Andrew Maynard, Co-Chairman
Representative Antonio Guerrero, Co-Chairman
Honorable Members of the Transportation Committee
Room 2300, Legislative Office Building
Hartford, CT

Re: **S.B. No. 811 AN ACT INCREASING THE PENALTY FOR
THE UNAUTHORIZED USE OF ALL-TERRAIN
VEHICLES.**

As a resident of Connecticut I am in favor of an increase in the fine for the unauthorized use of all terrain vehicles with enforcement to tow or remove the ATV. I have personally encountered such illegal use when hiking on trails where ATVs are supposedly prohibited and found it to be a frightening experience. I have also personally seen the damage they can do to walking trails.

I am very much in favor of passage of this act.
