**HB 6331 AN ACT CONCERNING TECHNICAL AMENDMENTS TO
CERTAIN ELECTION-RELATED STATUTES REGARDING
TABULATORS**

Representative Morin, Senator Slossberg and members of the Government Administration and Elections Committee, my name is Bill Jenkins. I have been the Republican Registrar of Voters in Chaplin since 2006.

This bill is very similar to SB 938 however it fails to make all of the technical amendments to the elections statutes regarding the replacement of lever machines with tabulators. In addition to the statutes that this bill revises, the following ones need to be revised as well:

9-367
9-369
9-369c
9-377
9-436
9-436a
9-453s
9-476
