

## GOVERNMENT ADMINISTRATION AND ELECTIONS

### Testimony in support of HB 6332, AAC PRIMARIES, PETITIONS AND BALLOT LAWS

Senators Slossberg and Meyer, Representatives Morin and Lesser, and members of the committee, I am Tony Esposito, Registrar of Voters for the Town of Hamden, and President of the Registrar of Voters Association of Connecticut. I am submitting testimony today in support of :

HB 6332 AAC PRIMARIES, PETITION AND BALLOT LAWS

This is a bill drafted carefully by ROVAC intended to bring all election laws, including primaries, into conformance with the new election system and use of tabulators. This bill makes the election laws the same for all elections thereby reducing errors and takes a step towards making elections more transparent and understood by voters. It is technical in nature and important to those administering elections and will contribute to better conducted elections.

Thank you for raising this bill.

Anthony Esposito, President ROVAC
