

RE: 1. H.B. No. 6050 (RAISED) AN ACT CONCERNING THE DEVELOPMENT OF THE CREATIVE ECONOMY.

Public Comment:

I am unable to speak today at the public hearing regarding HB No. 6050, but would like to voice my support for the bill. A Creative Economy analysis is long overdue. Creative talent is the future of our nation, our state and our cities. Focusing on how this segment of the workforce contributes to the greater economy and how CT can attract and retain creative people is essential for a prosperous future.

Please support this Bill.

Sincerely,
