Dear Judiciary Committee,

My name is Nate Rubert. I reside at 105 Clinic Dr  
New Britain, CT 06051. I am currently being affected by the current  
policies, and it has contributed to me not being able to find employment.

The purpose of this letter is to ask that you help and support the Raised S. B. No. 1151 Act concerning Pardons bill. I am in support of this bill. This bill is exactly what is needed for ex-offenders who have not been involved in any criminal activity within 3 years or longer.

I just feel like if you've done prison time  
and have completed your probation, then you've  
completed your punishment. You should not  
have to suffer longer than that. I believe  
if you've failed at some point in your life  
you should be able to make it right and be  
able to prove yourself.

I appreciate your help and I hope that you can help pass this bill in legislation. Thank you for your time and considering my request.

Sincerely,
