

1) My name/address/town of residence:

Jennifer Rhein
64 Avonwood Road, Avon, CT 06001

2) I am originally from the Philadelphia area of Pennsylvania and have lived in Avon for over 4 years now. Part of the reason I continue to live in Avon is because of the recreational opportunities located close by. The Farmington Valley Greenway and MDC Reservoirs are great and I don't think I would feel as fondly about or as attached to Avon and the other surrounding towns without having access to these. I actually just bought a house that is located on a road with access to the Greenway in Avon under the assumption I would continue to be able to use this well into the future. I would probably consider moving away from the area if access to these facilities was cut off from the public.

3) I support the 3 bills below that would restore recreational liability protection to municipalities:

- S.B. 43: An Act Expanding the Recreational Land Use Act;
- S.B. 90: An Act Concerning the Recreational Land Use Act;
- H.B. 5254: An Act Expanding the Recreational Land Use Act.
