

Hello Allison,

I am an active outdoor enthusiast and I support many recreation, conservation, and education oriented non-profit groups in Connecticut. I am a Director of the Connecticut Forest & Park Association, and I am on the Board of Advisors of the Appalachian Mountain Club. My spouse, Deborah, is the past president of the Shenipsit Striders running club. I am the President and CEO of Horst Engineering in East Hartford. We support many groups, including CFPA, AMC, New England Mountain Bike Association, Riverfront Recapture, and others.

Deborah and I support these three bills that would restore recreational liability protection to municipalities:

- S.B. 43: AN ACT EXPANDING THE RECREATIONAL LAND USE ACT;
- S.B. 90: AN ACT CONCERNING THE RECREATIONAL LAND USE ACT;
- H.B. 5254: AN ACT EXPANDING THE RECREATIONAL LAND USE ACT.

We are trail runners, mountain bikers, kayakers, and hikers. We have young children and we value the use of both private and public lands in Connecticut.

Regards, SL
